Your Committee on Urban Affairs, whose Chair is Senator Hartnett, reports LB 247 to General File; LB 330, General File; LB 76, General File with amendments; and LB 128, General File with amendments. Those are signed by Senator Hartnett as Chair of the Committee. (See pages 488-87 of the Legislative Journal.) That's all that I have, Madam President.

PRESIDENT MOUL: Thank you, Mr. Clerk. We will now proceed with General File and we will pass over LB 17. LB 20.

CLERK: Madam President, the first bill for consideration is LB 20. It's a bill for an act relating...it's a bill offered by Senator Coordsen. (Read title.) The bill was introduced on January 10, referred to the Government, Military and Veterans Affairs Committee for public hearing. The bill was advanced to General File. I do have Government Committee amendments pending.

PRESIDENT MOUL: Thank you, Mr. Clerk. Senator Coordsen. Senator Coordsen, can you handle the committee amendments?

SENATOR COORDSEN: Okay, I will handle the committee amendments. In addressing the committee amendments, I would like, Madam President, to address the content of the bill which would bring about the reason for the committee amendments. Last year, we, the body of the Legislature, made some substantial changes in LE 931 in removing from statute all of the statutory restrictions on the holding of more than one elective office in Nebraska, with exception of members of the Legislature and constitutional offices. In the process of drafting the committee bill, which 931 was, several sections of statute that addressed dual officeholding were overlooked. A Select File amendment was drafted. Because of the situation that existed at the end of the session, there was not time to return LB 931 to Select File for this amendment and so that was not done. LB 931 was passed into law last year but that resulted in some conflicts in statute. LB 931 is a cleanup type of legislation.
